

VIRTUAL PURSE

The virtual purse started life in Calpe's Tennis Club in July 2014 being only available for MEMBERS who recieved a 10€ bonification everytime they topped up their account.

The virtual purse, is a convenient way of paying for court bookings. Your users profile will show how much money you have available in your virtual purse and when you make a booking the cost will be automatically deducted from your account and the booking will appear as paid.

This method makes payment easier and quicker: you don't need to carry cash with you and you won't waste time when you are in a hurry to start playing.

The virtual purse can be topped up in the Tennis Club office.

Shortly, and once a payment gateway has been set up, it will be possible to top up your virtual purse online by entering your profile and clicking on the top-up button.

As from 2015 the bonifications are the following:

- **10% bonificacion for the minimum 20€ top up.**

From 20€ to 50€: 10% bonification

From 51€ to 100€: 20% bonification.

- **20% bonificacio for a maximun 100€ top up.**

The maximum bonification with thus be 20€ per member.

Payment by vitural purse is exclusivley for Calpe Tennis Club members. There is no time limit for using the money in the purse which can be topped up by cash in the Club Office until the payment gateway has been set up.

Members that owe money to the club will not be allowed to top up their virtual purse until their debt has been settled.
